Parental Responsibilities (U4, U6, U8):

One parent or guardian is required to be at the field with their child at all times as children are not to be left in the exclusive care of the coach(es). Coaches cannot attend to players on the sidelines. A parent or guardian must be available to respond to their child's needs (tie shoe laces, adjust shin pads, help with water bottles, etc) and be present in the event an unexpected injury or cancellation would occur at the field.

Equipment (U4, U6, U8, U10 and U12):

Shin guards with socks, sport shorts and water bottles are mandatory for mini and youth soccer players. Soccer cleats are optional but encouraged for U6 and older players.

Tim Hortons sponsors the U4 to U8 age groups and gives each player a jersey to keep. MUSC will provide jerseys to players in other age groups but the jersey will have to be returned at the end of the season.

Weather Policy regarding cancellations (U4, U6, U8, U10 and U12):

Mini and youth soccer will be cancelled for the following reasons: visible lightning in the area or extreme weather conditions.

Youth Competitive Soccer Programs: Age Groups U12 and older

For those wanting to play more competitively, players aged 11 and up may try out for one of the competitive teams. Practice days, times and locations are at the discretion of the individual coach.
